

Auditors' Report

To The Board Members:
Ste. Rose Health Centre
Ste. Rose du Lac, Manitoba

We have audited the Schedule of 2025 Public Sector Compensation Disclosure. This schedule is the responsibility of the organization's management. Our responsibility is to express an opinion on this schedule based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the schedule is free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the schedule.

In our opinion, this schedule presents fairly, in all material respects, employee compensation greater than \$85,000 based on 2025 T4 reporting requirements.
